More often than not, you can't use a Roblox account generator through any legitimate means. Though they may appear on sites like Reddit, to actually get the account, you'll need to join closed Discord servers, and download

specific software that isn't verified by the game's developers. Therefore, you're taking a huge risk with your device's security by downloading them, as they could contain anything from viruses to spyware. They're also pretty unreliable. If you go to the trouble of downloading one, it might not even work.

The first step to earning a lot of Robux is to build your own game within Roblox that other players can enjoy. Once your game has a following then Roblox will use a metric to see how many premium players often play this game and then you will be rewarded with a stipend.

Despite the fact that Roblox has commonly gotten positive surveys from pundits, it has confronted analysis for its substance, talk filtration framework, and micro- transactions.

Sort of. Fortnite has the violence-free Party Royale mode, which lets you run around a small island with your friends shooting paintball guns at each other, and, like in Roblox, you can attend concerts at a huge virtual concert stage. Fortnite's Creative Mode lets you build entire worlds and game modes using buildings, weapons, and other assets created by Epic. And Minecraft lets you build whatever you want with its blocky cubes and make games in your own private servers.

Equally, if you get caught using an account generated through these programs, there are big consequences. The official Roblox site strongly advises against using schemes like account generators. They say that anyone asking you to input your details anywhere is scamming you, and that you won't receive a glitched account or free Robux. The terms of service also warn against it, too. They say that you cannot obtain "exploited game or experience content." This includes hacked accounts with Robux. If you're caught doing this, they reserve the right to immediately close your account.
